

Privacy Policy on the Handling of the Personal Data of Persons Who are in the EEA

West Japan Railway Daily Service Net Company (hereinafter referred to as "we", "our", "us") values your privacy and is committed to protecting your personal information in accordance with applicable privacy laws. This Privacy Policy (the "Privacy Policy on the Handling of the Personal Data of Persons Who are in the EEA") is aiming to confirm to handle personal data located in EEA legally and appropriately.

1. What personal data is collected about you?

Certain activities on our Site require the collection of your personal data. The categories of personal data we may collect and process include:

- contact information that assists us in communicating with you, including your name, age, mailing address, nationality, telephone numbers, email address and occupation etc. you provide on our website
- As needed, credit card information etc. to provide the service requested by our customers

2. Purpose and method of use of personal data collected

We use your personal data within the scope of the following purposes.

- To manage our customer relationships, including contacting you and fulfilling your orders and requests
- To send you information on products and services and events etc., subject to your consent where required
- To conduct surveys and research on customer usage trends, etc., and business analysis

3. Legal grounds for handling personal information

We may collect and process your personal data based on the following legal grounds:

- Your consent
- Entering into a contract with you
- Addressing legal obligations
- Protecting public interests, exercising authority for public interests
- Protecting our customers' important interests
- Protection of legitimate interests within the scope of our business activities

4. Sharing personal data with outside organizations

We may occasionally share your personal data with the following business partners and third parties:

- We may occasionally use third parties, such as IT service providers, to perform operations on our behalf, and we may need to share your personal information with them for the purpose described in paragraph 2 above. Any processing of that personal data will be on our instructions and compatible with the original purposes.
- As required by law, we may disclose your personal data to public authorities for law enforcement, in order to comply with legal requirements, court orders, government or law enforcement agency requests.

5. The kind of security measures that are in place to protect your personal data

- We apply technical, physical and organizational measures that are designed to protect your personal data against accidental or unlawful destruction, loss, alteration, unauthorized disclosure or access, and against other unlawful forms of processing.
- Access to personal data is restricted to authorized recipients on a need-to-know basis. We also maintain a data security practice that is proportionate to the risks associated with the processing of your personal data. The practice is continuously adapted to protect personal data, taking into account industry-accepted practices.
- We are not responsible for the safety of personal data transmitted to the websites of any other companies that may be linked to this website. Visitors to any such websites should refer to such websites' privacy policies and practices.

6. Your rights regarding your personal data

You have the right to:

- (1) Right of access by the data subject (GDPR Article 15);
- (2) Right to rectification (GDPR Article 16);
- (3) Right to erasure ('right to be forgotten') (GDPR Article 17);
- (4) Right to restriction of processing (GDPR Article 18);
- (5) Right to data portability (GDPR Article 20);
- (6) Right to object (GDPR Article 21);
- (7) Automated individual decision-making, including profiling (Article 22);

7. Access

By accessing and using the Site, you understand and agree to the collection, processing, international transfer and use of your personal data as set forth in this Privacy Policy.

Where required by law, we will ask your explicit consent. You may always object to the use of your personal data for direct marketing purposes or withdraw any consent previously granted for a specific purpose by clicking on relevant links on our websites, following the directions contained in an email or by contacting us at the email address described in the below paragraph 11.

8. Retention

We may retain your personal data no longer than necessary for the purposes for which they were collected or as required by applicable law.

9. Cookies

As is the case with many websites, our Site may use cookies and other automated information collection means, subject to your consent where required.

Cookies are information about you from our website that is stored on your browser or hard drive. Cookies save you time because you do not need to manually re-enter the information stored on your hard drive.

Cookies also help us upgrade our website by showing when and how users use our website.

You can set your browser to notify you when a cookie is sent or refuse cookies altogether, but certain features of our website might not work without cookies.

10. Changes to this Policy

As this Privacy Policy can be modified at any moment without prior notice, we will update the updated date at the bottom of this policy when we change this policy, so please refer to it on a regular basis.

11. Contact

If you request the right to be performed described in the above paragraph 6 or if you have any inquiries about this privacy policy and the protection/processing of the personal data, please contact the below.

Regarding the personal data provided for the inquiries, we will use them only to respond to the inquiries etc.
